Re Jane Gibson's activities to
secure corroboration

Timothy Newell Pfeiffer,
120 Broadway,
New York City.

Dear Sir:

I received information that one of the Manley Brothers who conduct a garage on the Lincoln Highway at Franklin Park, N.J., knew of a man known as Spelia who had been asked by Mrs. Gibson to corroborate her story.

I interviewed Thomas Manley and he informed me that he had heard the story that she had approached Sipel (whose story we already have) and not Spelia. In fact he did not know any person having that name.

Respectfully yours,

David Thompson (signed)
